IT IS HEREBY STIPULATED AND AGREED between the parties, Daniel G. Bogden, United States Attorney for the District of Nevada, Sarah E. Griswold and Brian Pugh, Assistant United States Attorneys, and Derrick Phelps, and his counsel, David Z. Chesnoff, that this Court issue an Order protecting from disclosure to the public any discovery documents containing the personal identifying information such as social security numbers, drivers license numbers, dates of birth, or addresses of participants, witnesses and victims in this case. Such documents shall be referred to hereinafter as "Protected Documents." The parties state as follows:

1           1.       Discovery in this case is voluminous. Many of the documents include personal  
2 identifiers. Redacting the personal identifiers of participants, witnesses, and victims would  
3 prevent the timely disclosure of discovery to defendants.

4           2.       The United States agrees to provide Protected Documents without redacting the  
5 personal identifiers of participants, witnesses, and victims.

6           3.       Access to Protected Documents will be restricted to persons authorized  
7 (authorized person) by the Court, namely the defendant, attorney(s) of record and attorneys'  
8 paralegals, investigators, experts, secretaries, file clerks, law clerks, contractors, vendors, IT  
9 Department, and copy centers employed by the attorney(s) of record or performing on behalf of  
10 defendant.

11          4.       The following restrictions will be placed on defendant, defendant's attorney(s)  
12 and the above-designated individuals unless and until further ordered by the Court. Defendants,  
13 defendants' attorneys and the above-designated individuals shall not:

- 14           a.       make copies of the Protected Documents for, or allow copies of any kind of the  
15                   Protected Documents be made for, any person that is not an authorized person;  
16           b.       allow any other person to read the Protected Documents; and,  
17           c.       use the Protected Documents for any other purpose other than preparing to  
18                   defend against the charges in the Superseding Indictment or any further  
19                   superseding indictment arising out of this case.

20          5.       Defendant's attorney(s) shall inform any person to whom disclosure may be  
21 made pursuant to this order of the existence and terms of this Court's order.

22          6.       The restrictions shall not restrict the use of Protected Documents during the trial  
23 of or judicial proceedings in this matter.  
24

1           7. By the date of sentencing in this matter, or seven days after acquittal, whatever  
2 the case may be, the defendant shall return to defense counsel the copy of Protected Documents  
3 defense counsel furnished to defendant, defense counsel shall certify that the defendant has  
4 returned the copy of the Protected Documents, or if the defendant has failed to return the  
5 documents, defense counsel shall certify that the defendant has failed to do so.

6           8. By the date of sentencing in this matter, or seven days after acquittal, whatever  
7 the case may be, defense counsel shall direct all other authorized persons to return copies of  
8 Protected Documents to defense counsel's office and shall certify that the authorized persons  
9 have returned the Protected Documents, or if the Authorized Persons have failed to return the  
10 documents, defense counsel shall certify that the Authorized Persons have failed to do so.

11           9. At the conclusion of this action, defense counsel shall return to government  
12 counsel or destroy and certify to government counsel the destruction of all copies of Protected  
13 Documents in defense counsel's possession, including copies of Protected Documents  
14 previously in the possession of all authorized persons and returned to defense counsel. This  
15 action will be deemed concluded after the completion of the final appeal in this matter, or if no  
16 appeal was filed, then the expiration of the statute of limitations for the filing of any final appeal  
17 of any matter, including collateral review.
